#### \*Notice

- Electric range, CO2 emissions, energy consumption and fuel consumption figures are based on ADR 81/02 test results. While they are useful in comparing the consumption of different vehicles, the results may not reflect real-world consumption. Actual consumption may vary depending on numerous factors such as: driving style, vehicle operation, journey type, environment, climate conditions, battery age and condition.
- BYD reserves the right to vary vehicle specifications and standard features from those detailed in this brochure.
